I sit at the intersection of code and content. I can build the product and market it. Currently building a healthcare CMS platform at Thawra Technology while running paid social for agency clients at Ceriterakamu, and reading for a degree in Artificial Intelligence at UiTM Shah Alam. Previously a Technical Services intern at PETRONAS PRPC, where I earned a Focus Recognition Award.

EXPERIENCE

Full Stack Developer AUG 2026 — PRESENT

Thawra Technology · Kuala Lumpur

- Build and maintain a CMS platform for healthcare clinics, spanning client dashboards, booking, and internal operations tooling.
- Shipped an HR management module used for staff records and scheduling across clinic sites.
- Work across the stack in JavaScript, React, and Node.js.

Social Media Manager MAY 2025 — PRESENT

Ceriterakamu · Digital marketing agency

- Manage organic content and paid campaigns for clients in healthcare, automotive, and F&B.
- Plan and produce short-form video, from concept and script to edit and publishing.
- Run Meta and TikTok ad campaigns, reporting on spend and performance to clients.

Technical Services Department Intern SEP 2024 — MAR 2025

PETRONAS Refinery & Petrochemical Corp. (PRPC) · Pengerang, Johor

- Processed and approved access requests for the PRPC UF PIMS SMART SUITE — user provisioning, tag creation, and data backfills — keeping system access secure and current.
- Built interactive Power BI dashboards and reports, developing the department's data visualisation and analysis capability.
- Joined strategy sessions on DRD integration to support data-driven decision-making.
- Picked up low-code web development with OutSystems; designed posters and montages for department events.

Barista

FEB 2025 — JUL 2025

ZUS Coffee · Malaysia

- Served high-volume peak hours to ZUS quality standards; trained new baristas on SOPs and drink preparation.
- Commended by supervisors for consistency and speed; handled POS, calibration, stock, and hygiene checks.

Part-Time Cashier

MAY 2024 — JUL 2024

Nak Dessert Enterprise · Segamat, Johor

- Ran front-of-house service and cash handling in a high-traffic dessert shop; promoted seasonal items to lift sales.

PROJECTS

Quack Digital Portfolio — Freelance Web Developer

SEP 2024 — PRESENT

- Design and build responsive portfolio and résumé sites for clients in HTML, CSS, and JavaScript.
- Implement custom features to client briefs, with a focus on readable structure and fast load.

Clinic CMS Platform

- Multi-tenant content and operations platform for healthcare clinics: patient booking, client dashboards, and an HR module the core product at Thawra Technology.
